11. (SBU) Per reftel request, Post has urged the GOC to support re-election of the United States to the IMO Council in Category "A." On September 25, Mr. Serghios Serghiou, Director of the Department of Merchant Shipping (under the Ministry of Communications and Works) offered us his verbal assurances that, as in years past, Cyprus was planning to support US re-election but that it was also looking forward to mutual support from the USG for Cyprus' candidacy to Category "C" of the IMO Council. We reiterated USG policy of being unable to agree to reciprocal support but reassured Serghiou that the USG would give the Cypriot candidacy its full consideration.
